Dear Fellow Citizens:

On behalf of our City Council, staff and employees, I invite you to "Know Your City" through our Open House on Saturday, September 28, 1968. We shall be most pleased to have you come for conducted tours of our newly-expanded City Hall, new Corporation Yard buildings, and City Park facilities.

We are justifiably proud of the new facilities which have just been completed on a "pay-as-you-go" capital improvement program. An interesting day of tours, displays, and demonstrations has been planned for you by each department of the City. Our City Council, department heads, and staff will be on hand to greet you, conduct the tours, and answer questions.

Our program begins at the City Hall council chambers with a welcome by the Council at 10:00 A. M. A schedule of tours and demonstrations is attached, together with a map of the City showing their locations. Free bus service will be available between our City Hall, Corporation Yard and City Park through the courtesy of Dash Hound Lines.

Refreshments will be offered without charge during Open House in our new Emergency Operating Center (City Hall basement). Sandwiches will be served between 12 and 1.

This is an opportunity to better acquaint yourself with the operations of your municipal corporation...to see where and how your tax dollars are being spent...to familiarize yourself with new facilities available in our City to better serve you...and to meet those who serve you daily in the City's operations.

We, of the City administration, promise you a most cordial welcome and an informative day. We hope you will accept this invitation to "Know Your City" and join us at Open House.

Yours most sincerely,

George K. Ingham
